

FRAMELESS FIREPLACES

Truly Frameless (Fully Recessed)

Allusion Slim Electric Fireplace

- Ultra-slim 4" depth—flush installs seamlessly into standard 2×4 or 2×6 wall for a completely frameless finish.
 - Sizes: **40"**, **50"**, **60"**, **72"**.
 - Features 9 flame colors, 5 brightness settings, 13 ember-bed hues, remote control, and adjustable heat. [Heat & Glo+13Heat & Glo+13SimpliFire+13downloads.hearthnhome.com](#)
-

Minimal Frame (Optional Frameless Look)

Allusion Platinum Electric Fireplace

- Slim profile that can be fully recessed into a 2×6 wall for a clean, minimal-frame appearance.
- Sizes: **50"**, **60"**, **72"**.
- Offers 4 flame colors, 13 ember-bed shades, remote control, and optional build-out or wall-mount kits. [Heat & Glo+6SimpliFire+6Heat & Glo+6](#)

Format Electric Fireplace

- Wall-mounted "floating mantel" style with no visible mesh screen or heat vents—sleek and modern.
- Sizes: **43"**, **50"**, **60"**.
- LED flame and accent lighting, heat/no-heat modes, remote control. While not fully recessed, it delivers a clean minimalist vibe. [Heat & Glo+7downloads.hearthnhome.com+7Amazon+7SimpliFire](#)
